

SUBJECT: Long Lost Tsimane Remedy Heals Neuropathy

Hi,

Do you experience numbness and tingling in the feet or hands?

Burning, stabbing or shooting pain in your extremities?

Loss of balance and co-ordination?

Muscle weakness, especially in the feet?

One of my closest friends and colleagues **Mark Fellers** claims to have discovered a **secret** remedy developed by the Amazonian Tsimane Tribe that can [reverse Neuropathy in just 21 days.](#)

To find out more about this weird long-lost remedy, [check out this short video.](#)

According to **Mark**, this 100% natural treatment has already helped **39,382 people** to reverse their Peripheral Neuropathy – and you could be next.
